

COMPREHENSIVE PLAN UPDATE OPEN HOUSE

On April 13, 2005, the Kankakee County Planning Department hosted an Open House at Quality Inn & Suites in Bradley from 5 PM to 8 PM to promote the draft of the County's Comprehensive Plan Update and to accept public comment. HNTB, the consulting firm developing the plan, presented the plan to approximately 200 attendees and participants including representatives from 8 municipalities. The Department's staff provided various displays and distributed informational brochures. Various government and public service organizations also had exhibits available.

*"The **Open House** was a very successful event and it is our hope that similar opportunities can be explored in the future to educate the community on planning and development issues."* Michael J. Van Mill, AICP - Executive Director
