ON COMPLIANCE WITH SPECIFIED REQUIREMENTS**

July 14, 2025

SKDO, P.C.  
1605 N. Convent  
Bourbonnais, IL 60914

I am responsible for the identification of, and compliance with, all aspects of laws, rules, regulations, court orders, contracts, or grant agreements that could have a material effect on the operations of the Office of the Circuit Clerk of Kankakee County (Office) where applicable laws, rules, regulations, and court orders require the Office to collect, hold, and disburse moneys to applicable parties or entities, outside of moneys already on deposit in Kankakee County's funds and accounts used to finance the regular operations of the Office. I am responsible for and I have established and maintained an effective system of internal controls over compliance requirements. I have performed an evaluation of the Office's compliance with the following specified requirements during the year ended November 30, 2024. Based on this evaluation, I assert that during the year ended November 30, 2024, the Office has materially complied with the specified requirements listed below.

- A. The Office has complied, in all material respects, with applicable laws, rules, regulations, and court orders in its financial and fiscal operations.
- B. Other than what has been previously disclosed and reported in the Schedule of Findings, moneys or negotiable securities or similar assets handled by the Office or held in trust by the Office have been properly and legally administered, and the accounting and recordkeeping thereto is proper, accurate, and in accordance with law.

Yours truly,

Sandra M. Cianci  
Circuit Clerk of Kankakee County

**Independent Accountant's Report  
on Compliance and on Internal Control Over Compliance**

To the Kankakee County Circuit Clerk and  
Members of the County Board, Kankakee, Illinois

**Report on Compliance**

We have examined compliance by the Office of the Circuit Clerk of Kankakee County (Office) with the specified requirements listed below where applicable laws, rules, regulations, and court orders require the Office to collect, hold, and disburse moneys to applicable parties or entities, outside of moneys already on deposit in Kankakee County's funds and accounts used to finance the regular operations of the Office, as more fully described in the *Circuit Clerk Audit Guidelines (Guidelines)* as adopted by the Administrative Office of the Illinois Courts, for the year ended November 30, 2024. Management of the Office is responsible for compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

The specified requirements are:

- A. The Office has complied, in all material respects, with applicable laws, rules, regulations, and court orders in its financial and fiscal operations.
- B. Moneys or negotiable securities or similar assets handled by the Office or held in trust by the Office have been properly and legally administered, and the accounting and recordkeeping thereto is proper, accurate, and in accordance with law.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants (AICPA), the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Clerks of Courts Act (Act); and the *Guidelines*. Those standards, the Act, and the *Guidelines* require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Office complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance with the specified requirements, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Office's compliance with the specified requirements.

Our examination disclosed material noncompliance with the following specified requirement applicable to the Office during the year ended November 30, 2024. As described in the accompanying Schedule of Findings as item 2024-001, accounting and recordkeeping related to money or negotiable securities or similar assets handled by the Office or held in trust by the Office was not proper.

In our opinion, except for the material noncompliance with the specified requirement described in the preceding paragraph, the Office complied with the specified requirements referenced above during the year ended November 30, 2024, in all material respects.

The Office's response to the compliance finding identified in our examination is described in the accompanying Schedule of Findings. The Office's response was not subjected to the procedures applied in the examination and, accordingly, we express no opinion on the response.

The purpose of this report on compliance is solely to describe the scope of our testing of compliance and the results of that testing in accordance with the requirements of the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

### **Report on Internal Control Over Compliance**

Management of the Office is responsible for establishing and maintaining effective internal control over compliance with the specified requirements listed above (internal control). In planning and performing our examination, we considered the Office's internal control to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the Office's compliance with the specified requirements and to test and report on the Office's internal control in accordance with the *Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the specified requirements on a timely basis. A *material weakness in internal control* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that material noncompliance with the specified requirements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness in internal control, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a certain deficiency in internal control over compliance, described in the accompanying Schedule of Findings as item 2024-001, that we consider to be a material weakness.

There were no immaterial findings that have been excluded from this report.

The Office's response to the internal control finding identified in our examination is described in the accompanying Schedule of Findings. The Office's response was not subjected to the procedures applied in the examination and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

**Kankakee County Circuit Clerk  
Annual Audit of Circuit Clerk Operations  
For the Year Ended November 30, 2024**

**SCHEDULE OF COMPLIANCE FINDINGS AND RESPONSES – CURRENT FINDINGS**

Finding Number: 2024-001

Criteria or specified requirement: The Circuit Clerk Audit Guidelines require that moneys or negotiable securities or similar assets handled by the Office or held in trust by the Office have been properly and legally administered, and the accounting and recordkeeping thereto is proper, accurate, and in accordance with law. Proper accounting and recordkeeping and an effective system of internal controls includes reconciling bank accounts in a timely manner.

Condition: The Kankakee County Circuit Clerk's office did not perform timely bank reconciliations for September 2024 through April 2025.

Cause: The Circuit Clerk's office implemented new court system software in September 2024. Due to challenges within the software and the timing of entering necessary data for beginning balances, the Circuit Clerk's office was not able to reconcile bank accounts within the software after the transition to the new system.

Effect: The Circuit Clerk's office was not able to effectively detect and correct errors to cash for several months.

Context: After obtaining outside assistance, the Circuit Clerk's office was able to reconcile through November 30, 2024 and going forward as of May 2025.

Recommendation: Bank reconciliations should be performed in a timely manner, at least monthly. The Circuit Clerk's office should obtain outside assistance if and when necessary.

Management's response: The Circuit Clerk's office will perform timely bank reconciliations within the software going forward. If additional assistance is needed, the Circuit Clerk's office will reach out to the software company for technical support or to outside consultants or other resources.

I have performed an evaluation of the preparation of the Schedule of Accountabilities during the year ended November 30, 2024. Based on this evaluation, I assert that during the year ended November 30, 2024, the Schedule of Accountabilities is presented in accordance with the *Circuit Clerk Audit Guidelines* published by the Administrative Office of the Illinois Courts, as set forth in Note 1.

**Independent Accountant's Report on the Schedule of Accountabilities  
and on Internal Control Over the Schedule of Accountabilities**

To the Kankakee County Circuit Clerk and  
Members of the County Board, Kankakee, Illinois

**Report on the Schedule of Accountabilities**

We have examined the assertion by management of the Office of the Circuit Clerk of Kankakee County (Office) that the Schedule of Accountabilities (Schedule) for the year ended November 30, 2024, is presented in accordance with the criteria set forth in Note 1, as more fully described in the *Circuit Clerk Audit Guidelines (Guidelines)* as adopted by the Administrative Office of the Illinois Courts. Management of the Office is responsible for its assertion. Our responsibility is to express an opinion on the Schedule for the year ended November 30, 2024, based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Clerks of Courts Act (Act), and the *Guidelines*. Those standards, the Act, and the *Guidelines* require that we plan and perform the examination to obtain reasonable assurance about whether the Schedule is presented in accordance with the criteria in Note 1, in all material respects. An examination involves performing procedures to obtain evidence about the Schedule. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the Schedule of Accountabilities for the year ended November 30, 2024, is presented in accordance with the criteria set forth in Note 1, in all material respects.

The purpose of this report is solely to describe the scope of our testing and the results of that testing in accordance with the requirements of the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

**Report on Internal Control Over the Schedule of Accountabilities**

Management of the Office is responsible for establishing and maintaining effective internal control over preparing a complete and accurate Schedule in accordance with the *Circuit Clerk Audit Guidelines* published by the Administrative Office of the Illinois Courts (internal control). In planning and performing our examination, we considered the Office's internal control to determine

the examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Schedule and to test and report on the Office's internal control in accordance with the *Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the specified requirements on a timely basis. A *material weakness in internal control* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material noncompliance with the specified requirements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our examination we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

As required by the *Guidelines*, an immaterial finding excluded from this report has been reported in a separate letter.

The purpose of this report is solely to describe the scope of our testing of internal control and the results of that testing based on the requirements of the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

**Independent Auditor's Report  
on the Schedule of Accountabilities  
as Supplementary Information**

To the Kankakee County Circuit Clerk and  
Members of the County Board, Kankakee, Illinois

**Supplementary Information**

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Kankakee County, Illinois (County), as of and for the year ended November 30, 2024 and the related notes to the financial statements (not presented herein), which collectively comprise Kankakee County, Illinois' basic financial statements. We issued our report thereon dated June 3, 2025, which contained unmodified opinions on those financial statements. Our report includes a reference to other auditors who audited the financial statements of Kankakee County Public Building Commission, as described in our report on the County's financial statements. Our audit for the year ended November 30, 2024 was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to June 3, 2025.

The Schedule of Accountabilities for the year ended November 30, 2024, is presented for purposes of additional analysis as required by the *Circuit Clerk Audit Guidelines* as adopted by the Administrative Office of the Illinois Courts and is not a required part of the basic financial statements of the County. Such information is the responsibility of County management and was derived from and relates directly to the underlying accounting and other records used to prepare the County's basic financial statements. The Schedule of Accountabilities has been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended November 30, 2024, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Accountabilities is fairly stated in all material respects in relation to the basic financial statements as a whole for the year ended November 30, 2024.

**Kankakee County Circuit Clerk**  
**Notes to the Schedule of Accountabilities**  
**For the Year Ended November 30, 2024**

---

**Note 1 – Basis of Accounting**

The Kankakee County Circuit Clerk is a part of Kankakee County, Illinois, a municipal corporation governed by an elected board. The Schedule of Accountabilities (Schedule) includes only those accounts and funds where laws, rules, regulations, or court orders require the Circuit Clerk of Kankakee County (Circuit Clerk) to collect, hold, and disburse moneys to applicable parties or entities, outside of those funds which finance the Circuit Clerk's regular ongoing operations. The Schedule is prepared on the cash basis of accounting, where receipts, including interest and investment income, are recorded when physical cash, a negotiable instrument, or an electronic transaction is received by the Circuit Clerk and disbursements are recorded when physical cash, a negotiable instrument, or an electronic transaction is processed by the Circuit Clerk.

Major differences between the presentation of this Schedule and the annual financial statements prepared in accordance with generally accepted accounting principles (GAAP) by Kankakee County, Illinois, include revenue and expense recognition, including the lack of receivables and liabilities and adjustments to fair value to recognize unrealized gains (losses) on investments, along with the combined recognition and presentation of fiduciary and own-source receipt transactions.

**Note 2 – Allocation Methodology for Cash Receipts**

The Circuit Clerk allocates receipts collected which are for less than the full amount due through a hierarchical system created within the case management system. It is possible to manually credit an account or line item should a payor request such action.

The Circuit Clerk distributes interest and investment receipts to the County General Fund.

**Note 3 – Reconciliation of the Schedule of Accountabilities to Account Balances**

The Circuit Clerk performed a reconciliation of those accounts and funds where laws, rules, regulations, or court orders require the Circuit Clerk to collect, hold, and disburse moneys to applicable parties or entities, outside of those funds which finance the Circuit Clerk's regular ongoing operations. Outstanding negotiable instruments, which primarily are checks, occur when a negotiable instrument has been issued and recorded by the Circuit Clerk, but where the activity has not yet cleared and will ultimately become subject to the requirements of the Revised Uniform Unclaimed Property Act (765 ILCS 1026).

The net effect of unreconciled differences includes unknown differences, presumably resulting from lost data during a system outage several years ago.

**Note 4 – Deposits and Investments**

State law requires public funds to be invested within guidelines set forth in the Public Funds Investment Act (30ILCS/235).

Investments consist of certificates of deposit, which are considered to be cash deposits for purposes of the following disclosures.

The Circuit Clerk's cash and investments are subject to credit risk (the risk that an issuer or counterparty to an investment will not fulfill its obligation) and custodial credit risk (the risk that in the event of a bank failure, the government's deposits may not be returned to it). The Circuit Clerk follows the County's investment policy, which states that when selecting financial institutions as depositories for County funds, the County will consider the ability of the institution to have sufficient collateral for deposits in excess of FDIC insurance.

The Circuit Clerk's cash deposits may have exceeded amounts insured by the FDIC throughout the year. As of November 30, 2024, deposits were insured or collateralized with collateral held by the pledging institution's agent in Kankakee County's name.

**Note 5 – Subsequent Events**

The Circuit Clerk is not aware of any additional facts, decisions, or conditions that might be expected to have a significant effect on the Schedule during this and future fiscal years.
