Participation

I understand that the choices I've made are in effect for one full benefit plan year and cannot be changed until the next enrollment period unless I have a qualified status change. If I do have a qualified family status change, I have 30 days from the date of the life event to make changes to my benefit plans, and that I may be required to furnish proof of the event and/or be asked to furnish evidence of insurability for my eligible dependents or myself. Finally, I authorize payroll deductions, if required, for my contributions in the cost of the coverage I have selected.

I agree, and I'm finished with my enrollment.
